

Firthmoor Nursery

Newsletter 5th February 2016

On Thursday 4th February, Herb the Dragon visited our Nursery along with storyteller Joanne Weston. The children were transported to story land with the help of some magic story dust, (captured with a clap and sprinkled liberally onto their heads) before boarding the storyland train. They enjoyed action songs "Here we go round the Mulberry Bush" and "Hole in the Bottom of the Sea" where some children were given the very important job of holding props whilst everyone else joined in the actions.

After the energetic singing workout, we settled down to enjoy some stories; both well known and new. First of all was "The Gingerbread Man". The children knew the story well and so were able to bring it to life with the puppets they had been busy making earlier in the week.

We enjoyed a story about naughty monkeys and another old favourite, "The Little Red Hen" before finishing with "Don't Wake the Bear" and an enthusiastic singing of "If You're Happy and You Know it". The children had a great time and we're sure they will want to share the stories with you.

REMINDER: Please bring back the Home School books so we can share the children's experiences with them.
