

If you smell gas,  
The first thing you should do  
Is get a grown up,  
To ring the number for you.

Never put on a light switch,  
Or strike a match – that's true  
Wait until the gas board turn up,  
They'll know exactly what to do

Don't ever go near yellow barriers,  
They are there so you don't fall  
So play well away from them,  
Don't use them as goals for football!

If you think wisely,  
And remember in your head 'SAFETY'  
You'll be protecting yourself and others,  
And a safer place it will be.
