

## Pathways Programme

# Young Parents

Our Young Parents programme is a bespoke individualised programme open to any young parent who is eligible for the YEI programme, including expectant parents.

The programme offers a range of qualifications and support to meet the individual's needs including; Personal Development Qualifications, Mentoring Qualifications, Employability Skills and Qualifications, Maths & English and job search and employment support.

Financial support may be available for childcare, travel costs and other additional expenses that can be a barrier for young people wishing to progress into employment, education or training.

For more information or to make a referral please contact:
